Guvi Geek Netwok Pvt.Ltd

## Expertise

- UI/UX
- HTML5,CSS3
- JavaScript ES6
- React.js
- MongoDB
- Node.js

## Language

English

Tamil

## PROJECTS

### Book My Show

You can book your tickets or whatever from wherever you are.You are not required to go in person to the place which is far away from your zone to booking purposes. You can check the availability of the seats or products or anything.It is time saving and quicker than eve

**Github**-<https://github.com/San0077/mypro>

**Netlify**-<https://splendorous-salamander-f51d81.netlify.app/>

### AWS Polymer search Clone

I have cloned the AWS polymer search, here you can search what ever like in real AWS ploymer search
